# SAN DIEGO SECURITY SHOW / SDSS 2017

PLATINIUM SPONSER  
**QUALCOMM**

The San Diego Security Show (SDSS) is Southern California's premiere physical security gathering with one major difference over other conferences and expos. At the SDSS, manufacturers will showcase their products & solutions in a **REAL-WORLD LIVE PROTOTYPE ENVIRONMENT**. Vendors will incorporate their products into the "Security Solution Wall"; a live working solution set highlighting the various components of an overall physical security infrastructure.

**EXPERIENCE** the "the marble in the machine" as manufacturers highlight true interoperability & open platform capabilities. Then learn how their solutions can deliver real value.

**LEARN** from industry experts how you can get the most out of these products to provide an ideal security environment in your organization.

**NETWORK** with other security professionals, see the latest technologies and get up-to-date knowledge on the state of physical security as well as the future of the industry.

**January 25 - 26th, 2017**

Town & Country Convention Center  
500 Hotel Circle North, San Diego, CA 92108
