TRAINING ANNOUNCEMENT

Infrastructure Liaison Officer (ILO) Basic May 22, 2017 | 0800 - 1700 HOURS San Diego, CA

Course Description:

This course is a prerequisite for being an Infrastructure Liaison Officer (ILO). The ILO program was created to provide public and private sector partners responsible for security and emergency management with an awareness of threats to critical infrastructure such as terrorism, espionage, and cyber attacks. The ILO serves as a primary contact with the San Diego Law Enforcement Coordination Center (SD-LECC) and Terrorism Liaison Officers (TLOs), including local law enforcement, fire, and InfraGard, to help protect their community and critical infrastructure facilities.

Course Objectives:

- Roles and Responsibilities of an Infrastructure Liaison Officer (ILO)
- Fusion Centers in Public and Private Sector Partnerships
- The National Infrastructure Protection Program
- Domestic and International Terrorism
- Economic Espionage & Cyber Security in the 21st Century

Course Length: 8 hours

Target Audience/Discipline:

Attendees must be current, vetted members of the San Diego InfraGard Chapter: <http://www.infragardsd.org/infragard-membership.html> (Law Enforcement & Military are not required to be InfraGard members)

Cost: All training and course materials are FREE.

Hosted By: San Diego Law Enforcement Coordination Center (SD-LECC)

Location: San Diego, CA (Location and address of this event will be provided when student registration is confirmed.)

Registration: Register online at www.SD-LECC.org (Click on TRAINING)

All registrations will be placed on a waiting list while attendees are being vetted. Upon acceptance of application an email notification will be sent.
